Venue 地點	:	Exchange Forum Area, Hall 2, AsiaWorld-Expo 亞洲國際博覽館 2 號展館 商務洽談區
Organiser 主辦機構	:	Hong Kong Council for Testing and Certification 香港檢測和認證局

### **Summary 論壇概要：**

Conformity assessment activities including testing, inspection and certification can help to demonstrate the products or services meeting applicable environmental regulatory requirements and other "green" specifications. Hong Kong's testing and certification industry is well-known for its high professional integrity and technical competence with assessment results recognized internationally. The talk will introduce various environmental testing, inspection and certification services that provided by the industry.

透過測試、檢驗和認證等合格評定活動有助彰顯產品或服務能符合有關環境的法例要求及其他“綠色”的規範。香港檢測和認證業擁有良好的職業操守及技術能力；其評核結果廣獲國際承認。本講座將介紹香港檢測和認證業現時提供的各種有關環境測試、檢驗和認證服務。
